

Insights (Road to Qatar): After being absent from the world cup tournament from 2002-2014, The Atlas Lions not only qualified for two straight tournaments but is the first African nation to advance to the knock-out stage in the FIFA world cup tournament. The 22nd best national team in the world by FIFA ranking clinched its position to semi-finals in the Qatar 2022 FIFA world cup by beating Portugal to qualify.

Road to QATAR 2022: Will Morocco Bring the cup home this time??..

World Cup History

- Sixth appearance
- Last appearance: 2018 (Group stage)
- Best finish: Round of 16 in 1986

Key Players to watch out for:
Achraf Hakimi, fullback
Hakim Ziyech, winger
Youssef En-Nesyri, forward
Noussair Mazraoui, fullback

Expectations: A survey carried out shows that the Moroccans are very optimistic about the national team's success. Reports shows that 18% of the country's population already believe that Morocco is bringing the cup home come next week.
